

Part of **Gessi's** Private Wellness collection, Segni offers a different take on the shower with square, round and oval showerheads that project 10% in. or 3% in. from the ceiling. Each is finished in a mirrored steel finish and can be grouped in a variety of configurations for a different look and feel. **Circle No. 207**

Groff's Aqua-Sense comprises a variety of shower elements that can be combined in different configurations for personalized bathing comfort. The line includes a ceiling-mounted showerhead equipped with color-changing LEDs; a wall-mounted waterfall fixture that delivers a blade of water; and a wall-mounted cascade and rainfall showerhead available with or without LED lighting. The system also offers a handheld, foot shower, bodysprays, speakers, the ability to connect to an iPod and touch-screen control. **Circle No. 209**

From **Grohe** comes Tempesta, a new line of showerheads each offering up to four spray patterns: Rain, a delicate wide spray that's soft on the skin; Grohe Rain 02, which delivers a gentle spray composed of air-enhanced large water drops; Jet Spray, which is focused and circular; and Active Massage, which relaxes users with a moving, massaging effect. Showerheads come in a contemporary Cosmopolitan or traditional Authentic style (shown). **Circle No. 208**

Made by Swiss manufacturer Nikles, the new Nicksmatic collection from **Hastings Tile & Bath** encompasses a wide selection of showerheads in round and square shapes with or without LED lighting. The line also includes bodysprays and eight handheld models, including two with multiple spray functions and an eco-friendly version. All have a flow rate of 2.0 gpm with a flow restrictor and 2.5 gpm without. **Circle No. 210**
