- Weiss

Technical drawing of the 1000 Series 1/2" (12.7mm) ball valve, showing three views: front elevation, side elevation, and top view. The front elevation shows the valve body with a 1-15/16" (50mm) bore, 1-3/16" (30mm) ports, and a 1/4" (6mm) stem. The side elevation shows the 1-15/16" (50mm) bore and 1-3/16" (30mm) ports. The top view shows the 2-11/16" (68mm) flange and 1-15/16" (50mm) bore. The drawing includes dimensions for the valve body, stem, and flange, as well as the 1/2" (12.7mm) ball diameter.
