Technical drawing of a three-function shower faucet assembly. The drawing shows three vertical stems connected by a horizontal crossbar. The left stem has a handle with a width of 2-3/4" (70mm). The middle stem has a central control knob. The right stem has a handle with a width of 2-3/4" (70mm) and a shower head at the top. Dimensions are provided for various parts:

- Top handle width: 2-3/4" (70mm)
- Distance from top handle to first O-ring: 1-3/16" (30mm)
- Distance from first O-ring to second O-ring: 2-3/8" (60mm)
- Distance from second O-ring to third O-ring: 2-1/16" (52mm)
- Distance from third O-ring to the bottom: 3/4"
- Bottom connection: 3/4-14 NPT
- Distance from the bottom connection to the shower head: 3-7/8" (98mm)
- Shower head diameter: 7-1/16" (180mm)
