

COMFY AND SUPPORTIVE MATTRESSES

Springfit mattress, one of the country's leading brand of premium and progressive sleep accessories and solutions, has unveiled its latest range of premium and ultra glamorous mattress – Autograph Collection. Endorsed by Bollywood power couple Bipasha Basu and Karan Singh Grover, the new range is designed to ensure 6 hours of complete sleep. Made with all natural materials like viscose fabric, natural latex and organic fabrics, the collection comes with the unique Mdi foam, a new technology in mattress industry which ensures the product is highly breathable and has no toxic residues for a healthy sleep. The new collection offers firm spine support. Available in an array of vibrant colors, the collection comes in thickness of 178 mm and 229 mm and available in all sizes.

GLOSSY FAUCETS

Kajaria has now entered the bathroom space with the launch of an exclusive range of faucet and sanitary ware under the brand Kerovit. The brand has launched its latest range of products from vanities, to counter tops, to water closet, and to a new faucet series, Joy. Ranging from glossy vanities to antique ones with a wooden finish, these are user-friendly. An unconventionally shaped Joy Faucet mixes and matches with different counter tops and basins to enhance and give a ravishing touch to your bathroom.
