GRAFF INDIA

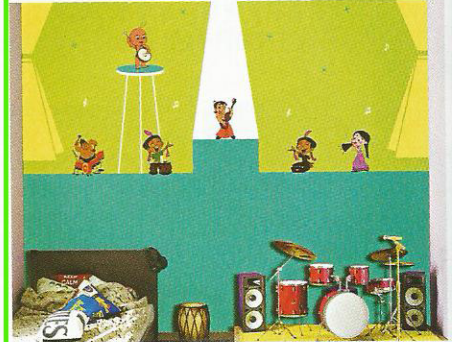

Dressage, the newest luxurious bathroom furniture collection from Graff showcases a compact and functional furniture vanity made in solid wood. It can be combined with a Corian DuPont washbasin and accompanied by a tray for cosmetics, a towel hook, a chest of drawers and a movable mirror. All elements of the water supply and water discharge of the washbasin are concealed. The vanity is accompanied by a bathtub made from thermoformed Corian DuPont panel combined with solid wood. It also has a headrest made of leather, and a shelf for storing beauty products. The collection also includes a handcrafted stool and clothes hanger.

BOSCH HOME APPLIANCES

Bosch recently added two new models (SMS60L12IN and SMS60L18IN) to their free standing range of dishwashers. Available in white and silver hues, the key highlight of the new variants include the Express Sparkle 65° C program wherein utensils are washed and dried in flat 60 minutes, reducing the washing cycle time by up to 60 per cent. Like all Bosch dishwashers, the new models are specially crafted for the Indian kitchens and come equipped with the 'intensive Kadhai 70°C program' which is designed to remove the toughest masala stains from pressure cookers, stainless steel *kadhai*s and more. Additional features include the Aquasensor, Vario Basket, Child Proof Door Lock and Small Loads programs.

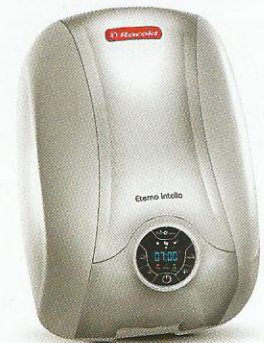

₹ 37,500 (SMS60L12IN); ₹ 40,999 (SMS60L18IN)

ASIAN PAINTS

Asian Paints' interactive, colourful and playful wall designs for children — Kids' World — has launched a new theme inspired by the popular children's fictional animated character, Chhota Bheem. The series is the result of an exclusive licensing agreement with Green Gold Animation to use selected characters of the Chhota Bheem show for creating stencils for the wall designs. One can choose any one of their favourite characters, or have all the characters of the show on their walls. The latest offering is also available in the Glow in Dark and Magneeto series. The Chhota Bheem makeover can be done in mere four hours and comes with zero lead and heavy materials, making it 100 per cent safe for kids.

RACOLD THERMO

The all new Eterno Intello storage water heater has an Intelligent timer that allows one to set the time and temperature at which hot water is required every day. Available in capacities of 10, 15 and 20 liters, it comes with a unique polymer protective coating technology for the inner tank making it anti-corrosive to hard water. The High density Polyurethane Foam ensures energy savings while the Titanium enameled heating element provides better protection and longer life.
