

## DOOR TO DOOR

Combining the brightness of precious glass and metal finishes, with the warmth of wood, the Koan collection by Lualdi, available at Ottimo, creates a perfect cohesion of technology and tradition. The door has been inspired by Japanese interiors and designed by Kokai Studio for Lualdi. [ottimo.in](http://ottimo.in)

## FLOORED!

Lucido from Cera is collection of glazed vitrified tiles that has been crafted with sophistication. The range includes the new book match series that are in vogue in both the residential and commercial constructions. The marble series and rustic stone series have been crafted keeping in mind the consumers' changing tastes. [cera-india.com](http://cera-india.com)

## RAIN DANCE

Crafted in stainless steel to guarantee a long-lasting, high-performing life, GRAFF's latest ceiling mounted shower heads feature a minimal and elegant design. The collection aims to create a relaxing atmosphere while elevating the ambience with mist and light added to the natural music of water droplets. [graff-designs.com](http://graff-designs.com)

[Pop goes my heart!]

Love for cooking has been an art that warms hearts. Now, making a bowl of wholesome popcorn is a delight with Pigeon's range of popcorn makers. Sit back, relax and enjoy a big bowl of healthy, homemade popcorn. [stovekraft.com](http://stovekraft.com)

## HAFELE: SILENCE IN THE ROOM

After obtaining certification for the Silent range of hoods, equipped with Noise Reduction System technology, Häfele's cooker hoods from Falmec strengthens the partnership with Quiet Mark, promoting extreme silence of the range through its products. [hafeleindia.com](http://hafeleindia.com)
