9 GRAFF

graff-faucets.com

A subtle hourglass-shaped body defines the Finezza collection's UNO design. Available in dual-handle and single-handle versions, the faucet's spout features a trapezoidal section that expands at the end to accommodate a water-saving aerator. Offered in four finishes: brushed or polished nickel; olive bronze; and polished chrome.

8 ENCORE HOSPITALITY CARPET

encorehospitalitycarpet.com

Part of the Structure collection, Complex showcases two bold stripes with perpendicular dashes to evoke the look of a MIDI controller or piano keys. The tip-sheared, enhanced-loop carpet is manufactured using Zeftron nylon yarns and is backed by woven polypropylene.

10 ARTERIOS

arteriorshome.com

Part of a collection from Santa Monica, California-based interior designer Windsor Smith, the Loki wall lamp accents a steel arm and back plate with an antique brass finish. Designed to serve as a reading, library or task light, the multipurpose piece is topped with a blackened bronze shade.
